**Board of Governors
February 10, 2020**

A Message from the President

Beyond the measures outlined in recent editions of the e-newsletter, there are two new measures being implemented.

Mandatory temperature checks

These are outlined above.

Please note that Club staff are **required** to deny entry to **anyone** with the temperature of 38°C or above and that Members and staff are **required** to follow this procedure.

Suspension of buffets

Consistent with measures being taken at other private clubs in the region, we are suspending the buffet in the Terrace and Sunday Brunch beginning on Monday February 17th and continuing until further notice.

Knowing how popular roast beef is with our Sunday Brunch regulars, Sigis will be offering a [roast beef special on Sundays](#) at both lunch and dinner. Details appear elsewhere in this edition of the weekly e-newsletter.

We continue to monitor developments and are taking all reasonable measures to ensure that the Club remains a safe haven and home away from home for our Members.

On behalf of the Board, management and staff, I thank you for your cooperation. As always, your feedback is welcome via the e-Comment system.

Sincerely,

Mike Brennand,
President
