

## 10 Days Left to Submit your One-time Travel & Health Registration Form

The last day that Members will have to sign a "Member Health & Travel Self-Declaration Form" will be Sunday, July 19. This will also be the last day for the "Guest Health & Travel Self-Declaration Forms".

On Monday, July 20, Members who have completed and submitted the **One-time Travel & Health Registration Form (click [here](#) to download)** will be able to enter the Club directly via the card access system as they did prior to COVID-19. **This can be completed in person, or can be downloaded, signed, scanned, and returned to the ACC Member Service Desk at [accmsd@americanclub.org.tw](mailto:accmsd@americanclub.org.tw) OR fax a copy to +886 (2) 2885-3342.**

The Guest Registration System will also be reactivated at 9:00 am on Monday, July 20 with a limit of 4 guests per membership per visit. Instead of signing a Declaration Form, Members will be required to register their guests' (including domestic helpers) names and date of visit in a new Guest Book, which will be located on the counter next to the guest registration terminals.

A reminder that **parents of Independent Child Members (age 12 and up)** must complete the One-time Travel & Health Registration Form to ensure that their children can continue to enter the Club for lessons, programs, etc. from July 20 onward.

Temperature monitoring will continue, overseen by the Security and Members Services Desk.

Details of these and other COVID-19 changes were included in the President's Letter of Sunday, June 28. Please click [here](#) for a copy.
