COVID-19 UPDATE

Guest Ban extended to Domestic Caregivers

I am writing you, on behalf of the Board of Governors, to inform you that the ban on guests visiting the Club is now being expanded to include Domestic Caregivers.

To give you some time to make alternate plans, the ban will take effect this Friday, March 20th and will remain in effect until further notice. This restriction does not apply to Health Caregivers.

The Board thanks you for your cooperation during this special time. Our efforts are for the benefit of the most vulnerable among us.

Kind regards,

David Brightling
General Manager
